

Mies Visits Carrara

Maurizio Galante, Tal Lancman | 2015

This imaginary journey intends to revive this product,
like a thrilling emotion.

An object whose shape and use recalls the beauty and joy of being able to relax and dream. Metal structure, polyurethane foam padding contour, silk and polyester upholstery with printed images of Carrara marble.

Materials:

Structure: metal.

Padding: polyurethane foam.

Covers: 32% silk and 68% polyester.
